Instructions for Lifeline Telephone Service Credit

What is the Lifeline Telephone Credit?

The Lifeline program provides a credit of at least \$13.00 on the monthly telephone bills of income-eligible Vermont residents.

Who is eligible for the Lifeline Telephone Credit?

Two groups of Vermont residents with telephone service are eligible for the credit. You are eligible if you reside in Vermont, have phone service, and

- you will be 65 or older by June 15, 2008 and your household income is less than \$23,958;

OR

- you are under 65 and your household income is less than \$20,535

You need to submit an application for Lifeline credit each year.

What income must be included?

You must include your Adjusted Gross Income (Federal Form 1040, Line 37; or 1040A, Line 21; or 1040EZ, Line 4). This is before deduction of any loss from a trade or business, partnership, small business corporation, rental property or capital loss. This is added to all other taxable and non-taxable income such as alimony, support money, cash public assistance and relief, cost of living allowance, serviceman's dependent allowances, gross amount of pensions and annuities, railroad retirement benefits, Social Security payment, veteran's benefit act payments, nontaxable interest received from Federal or state instrumentality, unemployment and worker's compensation, gross amount of "lost time" insurance and total capital gains. It does not include gifts from nongovernmental sources, food stamps, relief in kind supplied by a government agency, or payments made by the State for foster care or care of a developmentally disabled person.

When and how do you apply?

All eligible telephone subscribers should mail the completed application on or before June 15, 2008 to:

**VT Department of Taxes
133 State Street
Montpelier, VT 05633-1401**

Electronic submissions are not accepted. Applications submitted after June 15, 2008 will not be considered for the credit this year. To request a waiver of this deadline by the Agency of Human Services, applicants must submit in writing the reason for failure to meet the June 15, 2008 deadline.

The application may be submitted with your Vermont tax forms. If you are not required to file, you may send just this application to the VT Department of Taxes.

The VT Agency of Human Services processes your application. Your telephone company will receive notice of your eligibility and apply the credit to the telephone account of the name, telephone number and customer code you write on this application. It is very important the information on the application matches the information with your telephone company. **Before mailing your application, check your telephone bill for the spelling of your name, your telephone number, and the customer code that follows your telephone number.** If it is convenient, attach a copy of your telephone bill to this application.

Where do I find my Verizon Customer Code?

If you are a Verizon customer, your Customer Code is the three digits after your telephone number on your bill. Your phone number, plus these three digits, is your Verizon account number.

When will the Lifeline Credit begin?

If this is the first time you applied for the Lifeline credit, it may take up to three (3) months for the credit to appear on your telephone bill.

Do all telephone companies participate in Lifeline?

No. Only the following companies must offer Lifeline: Franklin Telephone; Fairpoint/Northland Telephone; Shoreham Telephone; TDS (Ludlow, Northfield, and Perkinsville); Topsham Telephone; Unicel; Verizon; Vermont Telephone; and Waitsfield/Champlain Valley Telecom. Other companies may offer a Lifeline discount but are not required to do so and do not get reimbursed for their Lifeline costs.

How can I get answers to my questions about Lifeline?
