Message from the Commissioner

Dear Fellow Taxpayer:

It's been an exciting year for Tax. We implemented a new computer system, Enterprise Tax Management (ETM), to process corporate income, business income, property transfer and fuel gross receipts taxes. The new system replaces thirty-year-old mainframe programming. We expect to offer much more efficient processing to taxpayers. More data will also be captured by the system which will provide our policy analysts, the Administration and the Legislature with data to aid in the determination of tax policy decisions.

We continue to make changes to more efficiently and effectively process all tax returns. Some upcoming initiatives are:

- Employers with 25 or more employees will be required to file their 2010 W-2s and 1099s electronically. Other employers are encouraged to use the electronic filing system.
- All property transfer tax preparers will be able to electronically file their property transfer tax returns beginning in January of 2011. Although this option is not mandatory, we expect preparers to find it more efficient to use than the alternatives.

Like all businesses, Tax is utilizing technology to become more efficient and provide better, more cost-effective services to its customers. And, as with all businesses, our list of what we'd like to do far outstrips our resources and budgets. We generally try to prioritize those enhancements that will affirmatively affect the greatest number of taxpayers.

Please avail yourselves of these new applications and let us know what your experience has been. Visit our website at <http://tax.vermont.gov> or Tax has its own Facebook page at <http://www.facebook.com/pages/Montpelier-VT/Vermont-Department-of-Taxes/286654596790>

Best wishes to all for a healthy and prosperous 2011.

Sincerely,

A handwritten signature in black ink that reads "Ellen H. Tofferi".

IDENTIFICATION LABEL

Using the preprinted label on this booklet speeds processing and prevents errors that may delay your refund. The number printed on the label above your name is a mailing ID only and cannot be used to process your return. You must print Social Security Number(s) in the space provided on each form or schedule. If filing an income tax form, **place the label on the income tax form** and print the Social Security number(s). Then print Social Security number(s), name(s), and address on the other forms and name(s) and Social Security number(s) on schedules. If filing Forms HS-145 and PR-141 without an income tax form, place the label on that form and print the Social Security number(s) and name(s) on accompanying schedules.

Incorrect identification label information:

Do not use the label if the information is incorrect or you need to add information such as a name or address change or adding the apartment number to the address. Also, if the label shows your name and your spouse's name but you are filing separately, do not use the label. Print the correct information in blue or black ink on all forms and schedules being filed.

Remember to keep a copy of your tax forms, schedules and documents for your records.

If you did not receive a preprinted identification label, you will need to print your information on all forms and schedules being filed.

GENERAL INCOME TAX INFORMATION

REQUIREMENT TO FILE A 2010 VT INCOME TAX RETURN

A 2010 VT income tax return must be filed by a Full-Year or Part-Year VT resident or a Nonresident if you are required to file a 2010 Federal income tax return, and

- You earned or received \$100 or more in VT income, OR
- You received gross income of \$1,000 or more from sources on pages 6-7.

USE WHOLE DOLLARS

Round entries to the nearest whole dollar. The cents entry boxes are preprinted with zeros. To round: 1 cent to 49 cents, enter the existing dollar amount (*Example:* enter \$97.49 as \$97). For 50 cents to 99 cents, enter the next higher dollar amount (*Example:* \$97.50 as \$98).

REQUESTS FOR ADDITIONAL INFORMATION

You may be asked to supply additional information to clarify items on your VT income tax form. Such a request does not necessarily mean that you filed improperly or that you have been selected for an audit. These requests are a routine part of processing.

INCOMPLETE FORMS

If information necessary to support a credit or benefit is missing, your filing may be processed but the credit denied. This may result in a bill or reduced refund. You will have an opportunity to supply the information. In some instances, your tax forms may be returned to you.

FORMS THAT CANNOT BE PROCESSED

If your filing is not acceptable for our processing equipment, the Department may send your filing back to you which means the filing date is the resubmission date. The Department may also transfer your filing information onto acceptable forms but you can be assessed a \$25 processing fee that partially covers the costs of transferring the information. Examples of unacceptable filings are: forms marked "draft", forms not pre-approved by the Department, photocopies of forms, faxed forms, writing in other than blue or black ink, mixing computer generated forms with forms printed by the Department.

TIMELY FILING

Tax forms mailed through the U.S. Post Office are considered timely if received at the Department within 3 business days of the due date. Electronic filings transmitted on the due date are timely if you receive confirmation of filing. Bringing the return to the Department in person requires receipt at the Department on or before the due date to be timely.

INCOME TAX DUE DATE

The due date for the 2010 tax year is April 18, 2011. See below for information on extension of time to file the VT income tax form.

EXTENSION OF TIME TO FILE YOUR VT INCOME TAX FORM

To receive a six-month extension of time to file your income tax form, file Form IN-151 on or before April 18, 2011. An extension only allows more time to file the income tax return. It does not extend the due date for tax payment. Interest and penalty accrue on tax due from April 19 to the receipt of payment.

NOTE: An extension to file an income tax form does NOT apply to Homestead Declaration (HS-131) or Property Tax Adjustment Claim (HS-145) or Renter Rebate Claim (PR-141).

LATE FILED INCOME TAX

A VT income tax form may be filed up to 60 days after April 18, 2011 without being charged a late file penalty, even if you have not filed an extension of time to file with the VT Department of Taxes. Filing the form on the 61st day after April 18, 2011 or later will result in a \$50 late file penalty.

With extension of time to file on record with the VT Department of Taxes An income tax form filed on or before the October 17, 2011 extended due date is not charged a late file penalty. Extended income tax forms filed one or more days after October 17, 2011 are charged a \$50 late file penalty.

NOTE: The late file penalty applies even if you have a refund or no tax is due. If any tax is due, late payment penalty and interest charges also apply.

INCOME TAX DUE

Income tax due must be paid by April 18, 2011 to avoid interest and late pay penalty charges. See *Payment Options*. If the tax due is \$500 or more at the time of filing, see *Estimated Income Tax Payments* section.

INTEREST AND LATE PAYMENT PENALTY

Tax paid after April 18, 2011 accrues interest and late payment penalty charges on the unpaid tax amount from April 19, 2011 until the date of payment. Interest is 0.4% per month. Penalty is 1% per month or portion of month, up to 25% of the unpaid amount.

ESTIMATED INCOME TAX PAYMENTS

If withholding plus tax credits are less than the income tax due, an individual should either increase the amount withheld or make estimated payments. Estimated payments are required when there is no withholding or insufficient withholding on income.

NOTE: Making estimated payments is particularly important for recipients of income without withholding, VT residents working in another state, or non-VT residents working in VT.

Exception: Farmers or fishermen, as defined by the laws of the United States, are not required to make estimated payments. If you are a farmer or fisherman and are billed for underpayment of estimated income tax, contact the Department.

Amount of Estimated Payments: If the taxes withheld from your income are less than your income tax (reduced by any allowable credits), you may increase your withholding or make estimated tax payments in four equal installments. Estimated payments (together with withholding and credits) must equal 100% of the previous year's income tax or 90% of this year's income tax. If no income tax return was required or the tax liability was zero in the previous year, there are no underpayment charges. Interest and penalty is billed on the difference between the estimated payment that should have been made each quarter and the payment actually made. No interest and penalty will be assessed if your income tax from Line 26 of the VT income tax form, less withholding and credits, is less than \$500 for the taxable year. **Examples:** (1) Your previous year tax was \$800. This year it is \$1200. You had no withholding, but made four timely estimated payments of \$150 each. Estimated payments of \$600 and \$0 withholding did not equal either the previous year's tax or 90% of this year's tax. The tax due (Line 26 less withholding and credits) is more than \$500. Each estimated payment should have been \$200 instead of the \$150 estimated payment made. You owe interest and penalty on \$50 underpayment each quarter. Penalty and interest accrue on the \$50 from the due date of each payment to the date the tax is paid. (2) Your previous year tax was \$800. This year it is \$400. You had withholding of \$100 but made no estimated payments. Your total withholding of \$100 and \$0 estimated payments did not equal either the previous year's tax or 90% of this year's tax. However, your tax (Line 26 less withholding and credits) is less than \$500. No interest or penalty will be assessed. (3) Your previous year tax was \$800. This year it is \$1500. You had withholding of \$400 and made four timely estimated payments of \$100 each. Your total withholding and timely estimated payments equal \$800, which is 100% of the previous year's tax. No interest or penalty will be assessed. (4) Your previous year tax was \$800. This year it is \$600. You had withholding of \$110, but made no estimated payments. Your \$110 in withholding did not equal the previous year's tax and is less than 90% of this year's tax. However, your tax (Line 26 less withholding and credits), is less than \$500 (\$600 - \$110). No interest or penalty will be assessed. (5) Your previous year tax was \$800.

This year it is \$1000. You had withholding of \$300, but made no estimated payments. You owe \$700 tax. The \$300 withholding was less than the previous year's tax and did not equal 90% of this year's tax. Each estimated payment should have been \$200 instead of the \$75 quarter credit from withholding. There is a \$125 underpayment for each quarter. Penalty and interest accrue on the \$125 underpayment from the due date of each payment to the date the tax is paid. **(6)** Your previous year tax was \$800. This year it is \$1000. You had withholding of \$300 and made one estimated payment of \$800 in December. Each estimated payment should have been a minimum of \$200. Your withholding covered \$75 (\$300/4) of the installment. There is an underpayment of \$125. You owe interest and penalty on the \$125 underpayment for the April, June and September due dates up to the December payment date.

Penalty & Interest Charges: The underpayment or late payment in each quarter is assessed from the estimated payment due date to the date the tax is paid:

- Interest of 0.4% per month.
- Penalty of 1% per month or portion of month.

NOTE: The IN-152 and IN-152A worksheets are available on our website at <http://tax.vermont.gov>

Calculating the Charges: Use VT Worksheet IN-152 to calculate the amount. Enter the result on Form IN-111, Section 9, Line 36, and include the amount with your tax payment. Payment at the time of filing may reduce the charges as they accrue up to the time of payment. If you have an overpayment but owe underpayment charges, the charges are subtracted from the overpayment.

Annualized Income Installment Method: Taxpayers using the annualized method for Federal estimated payments should use IN-152A to calculate applicable interest and penalty. Send a copy of all four pages of the completed Federal Form 2210.

Next Year: If you made estimated payments for tax year 2010, the Department automatically sends you Form IN-114 voucher booklet for 2011 tax year. Estimated payments are due April 15, June 15, September 15, 2011 and January 15, 2012. To assure you do not owe more than \$500 tax next year, you may wish to adjust your withholding, or make estimated payments, or a combination of both.

OFFSETS OF YOUR INCOME REFUND

Your income tax refund will be taken to pay a bill you or your spouse/civil union partner owe to the VT Department of Taxes and other government agencies such as Internal Revenue Service, Office of Child Support, Department of Corrections, VT courts, student loan agencies, VT State Colleges, **and tax agency of another state**. You will receive notification if your refund is offset.

INJURED SPOUSE CLAIMS

Does your spouse/civil union partner owe money to VT state or Federal agency **or tax agency of another state** and you file a joint tax return? If your spouse/civil union partner is responsible for the debt, you may file an "injured spouse" claim for your portion of the refund.

You may receive the portion of the income tax refund equal to the percentage of your income to the combined income of you and your spouse/civil union partner.

To make an "injured spouse" claim, send the following information separately from your return **(1)** the request letter; **(2)** copy of Federal Form 8379, if one was filed with the IRS; **(3)** if self-employed, copy of Federal income tax return with Schedules C and SE. Mail to: VT Department of Taxes, ATTN: Injured Spouse Unit, PO Box 1645, Montpelier, VT 05601-1645. Electronic filers must also send copies of income statements such as W-2, 1099, etc.

→ You will receive a notice from the Department if the income tax refund is offset. You have 30 days from the date on the notice to submit the injured spouse claim to the Department.

PAYMENT OPTIONS

ACH Debit for Electronic Filers: You can pay your tax at the same time you electronically file or you can schedule a payment date.

By Credit Card: Go to <http://tax.vermont.gov> to use VTPay. A convenience fee applies to payments over \$200.

By Check: Make checks payable to **VT Department of Taxes**

- **Check sent with Return:** Staple the check to Form IN-111 with the W-2s and 1099s to the lower left front of the return. Form IN-116, Payment Voucher, is NOT needed.
- **Check sent separate from Return:** Complete Form IN-116, Payment Voucher. Send the voucher and check to PO Box 1779, Montpelier, VT 05601-1779.

FINANCIAL DIFFICULTIES

If you cannot pay your entire VT income tax, file the return on time and pay as much as you can. Then immediately write to the Department to apply for a payment plan. Do not include this request with your return. Send the request to: VT Department of Taxes, ATTN: Compliance, PO Box 429, Montpelier, VT 05601-0429.

You may be asked for financial information to determine the appropriate installment payments. Without a payment plan, unpaid income tax results in collection action that may include placement with a commercial collection agency, liens on your property, legal action, or loss or suspension of a professional license.

NET OPERATING LOSSES

No VT refund is available for a carryback. The VT carryback or carryforward election for a net operating loss must be the same as elected for Federal purposes.

BONUS DEPRECIATION PROVIDED BY FEDERAL ECONOMIC STIMULUS ACTS IN 2008, 2009 AND 2010 ARE NOT ALLOWED FOR VT INCOME TAX PURPOSES.

See instructions for Form IN-111, Line 12b on page 8 and Line 14c on page 8 to adjust for difference between Federal and VT depreciation amount.

CLAIMING A VT REFUND

You must file a VT income tax return to receive a refund of VT withholding or estimated payments. You have up to 3 years from the due date of that tax year's return, including extension. *Example:* You did not file a return for tax year 2007 and now find that you are due a refund. You file the 2007 return on August 10, 2011. Tax year 2007 return was due April 15, 2008. The last date you could file and get a refund for the 2007 tax year was April 15, 2011. You filed after the three year date and no refund is available. If you had an extension of time to file on record with Vermont, the three year period runs to the extended due date.

AMENDING OR CORRECTING VT INCOME TAX RETURN INFORMATION

You are required by VT law to file an amended VT return within 60 days of: 1) becoming aware of a change to VT income; 2) filing an amended return with the IRS; or 3) receipt of a notice of the change by the IRS. A late file penalty will be assessed if the amended VT return is not filed within the 60 days.

• **Change to VT income** An amended return is due even if the change is not the result of filing an amended Federal income tax return or an adjustment made by the Internal Revenue Service. For example, a nonresident or part-year resident may discover the amount of income

taxable to VT is different from the amount originally reported. The amended return must be filed within 3 years of the due date of the return, including extension.

NOTE: When amending for income change, Schedule HI-144, Household Income, used for a property tax adjustment claim or renter rebate claim must also be amended.

• Change of Federal tax information by IRS You are required to file an amended VT return within 60 days of notification by the Internal Revenue Service, even if this is past the 3-year limit, when adjustments to your Federal return affect your VT income tax. These adjustments include, but are not limited to, changes in Federal taxable income, capital gains amount, earned income tax credit, the Federal tax credits passed through to VT tax, or any other change that affects your VT tax. Attach a copy of all Federal forms showing changes to the VT amended return. The IRS and VT Department of Taxes routinely share information. Differences in the information on file with the IRS and the VT Department of Taxes, other than those allowed by VT law, are identified and may be audited.

• Filing an amended Federal tax return You are required to file an amended VT return within 60 days of filing an amended return with the Internal Revenue Service if VT income is affected. See *Change of Federal tax information by IRS* for examples of changes affecting VT income tax.

FORM FOR AMENDING VT INCOME TAX RETURN

Check the Amended box on Form IN-111, Section 1, for the applicable tax year. Enter the corrected amounts as if this were the original filing and also complete supporting schedules, even if there is no change to them. Below Section 9, use the amended box to enter the amount originally refunded or paid to arrive at the amended amount of tax due or refund. DO NOT send a copy of the original with the amended.

Adjusted Gross Income or AGI means adjusted gross income on your Federal income tax return filed or your recomputed Federal income tax return.

Adjusted VT Income Tax means the VT tax calculated on VT Taxable Income as adjusted by certain additions, subtractions, and provisions for exempted income.

Adjustments to VT Income Tax are (1) Additions: 24% of the Federal tax on Qualified Retirement Plans including IRA, MSA and other tax favored accounts; Recapture of Federal Investment Tax Credit; and Federal tax on

qualified lump-sum distributions from Federal Form 4972; plus any VT tax credit recapture. (3) Percentage reduction of VT tax for VT exempt income and/or ratio of VT income to non-VT income from Schedule IN-113.

Domicile is the place where you have your permanent home. Establishing a domicile depends on factors such as the location of residences owned or rented, the amount of time spent at the residences, the location of items considered of sentimental or financial value, how and where one's living is earned, an investment in a business or profession in this state, place of voter registration, state issuing driver's license and automobile registration, and the residence of the taxpayer's immediate family. No one factor is conclusive.

You can have only one domicile. Your domicile does not change unless you move to a new location with the intent to make it your permanent home. If you move to a new location but only intend to stay a limited time, your domicile does not change. For more information, see Department Regulation 1.5811.

Nonresident means, for purposes of income tax, an individual who is neither domiciled in VT nor has maintained a permanent place of abode in VT where the individual was present for more than 183 days of the taxable year.

Part-Year Resident means, for purposes of income tax, an individual who meets the criteria for Residency during a portion of the taxable year.

Recomputed Federal Income Tax Return means a Federal income tax return prepared for VT purposes only. You use the recomputed amounts where the VT return requires Federal line information. See *Filing Status* instructions on page 7 for information on when to do a recomputed Federal income tax return.

Residency means, for purposes of income tax, an individual who in that portion of the taxable year (1) is domiciled in VT; or (2) maintains a permanent place of abode and is present in VT for more than a combined total of 183 days of the taxable year.

Resident means, for purposes of income tax, an individual who meets the criteria for Residency.

- Rents and royalties from ownership of property located in VT
- Gains from the sale or exchange of VT property, including the sale of timber or timber rights

VT Taxable Income means Federal taxable income with (1) the addition of interest, dividends or other distributions from non-VT state and local obligations to the extent this income is excluded from Federal adjusted gross income; the capital gain deferral in a previous year for investment in a qualified business upon disposition of the taxpayer's interest in the business; the difference between depreciation using standard MACRS on assets qualified for 2010 Federal bonus depreciation and the reported Federal depreciation on those qualified assets as a result of VT disallowance of the bonus depreciation; state and local income taxes deduction on Form 1040, Schedule A in excess of \$5,000 with the (2) subtraction of interest income from U.S. government obligations to the extent such income is included in Federal adjusted gross income; capital gains exclusion; and as a result of VT disallowance of the bonus depreciation, the difference between depreciation using standard MACRS on assets qualified for 2008 and 2009 Federal bonus depreciation and the reported Federal depreciation on those qualified assets.

Remember to keep a copy of your tax forms, schedules and documents for your records.

PLEASE do not make marks in boxes that you intend to leave blank.

Section 1 Taxpayer Information **REQUIRED entries.** If you have an identification label, affix to the "Place Label Here" space. Enter Social Security Number(s). If you do not have an identification label or the

Amended Return Check here **ONLY** if you are filing an AMENDED 2010 income tax return. See AMENDING OR CORRECTING VT RETURN INFORMATION on page 5.

Recomputed Federal Return Check this box if the information for Federal line references is from a recomputed Federal return. Because VT and IRS routinely share information, checking the recomputed Federal return box alerts the Department to expect differences between the IRS filing and VT filing. See *Filing Status* below for situations where the Federal return may be recomputed.

Deceased Taxpayer Check the applicable box if the taxpayer or spouse/civil union partner died during 2010. **Administrator or Executor:** Use Form IN-111 to report the decedent's income from the beginning of 2010 to date of death. To claim an income tax refund on behalf of the deceased, attach one of the following documents to Form IN-111: the court certificate showing your appointment as administrator or executor (this is not needed if you are a surviving spouse); a completed Form 176 (Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer); or a copy of completed Federal Form 1310. VT Fiduciary Return of Income; Form FI-161, should be filed to report the income of an estate or trust. Call 802-828-6820 for information.

Section 2 Tax Filing Information

Filing Status **REQUIRED entry.** Check the box to show your VT filing status. The VT filing status is the same as your Federal filing status **except for the following two situations where Federal information may be recomputed for VT purposes:**

1. **CIVIL UNION or CIVIL MARRIAGE** (available to same sex couples holding a valid civil union or marriage license): **Recomputed Federal income tax information required.** The Federal government does not recognize civil unions or civil marriages. Check the box for your applicable VT filing status. Check the box at the upper right corner of IN-111 to show that you are using recomputed Federal return information. Complete a Federal return for VT purposes only that uses the exemptions, deductions and rules allowed by the IRS as if you filed Married Filing Jointly or Married Filing Separately. Exemptions and deductions must be reasonably allocated if filing separately. For instance, one taxpayer cannot claim all exemptions and deductions. Mark this return as "**Recomputed for VT purposes**" and attach a copy of the recomputed return along with a copy of the Federal return actually filed with the IRS. Enter the recomputed Federal return information where VT requires Federal information. If filing separately, enter the other person's name and Social Security number in the space provided on Line 7.

2. **NON-VT RESIDENT SPOUSE WITH NO VT INCOME:** **Recomputed Federal income tax information may be used.** See Technical Bulletin #55. If you are a VT resident but your spouse is a nonresident of VT and has no VT income, you may elect to file Married Filing Separately for VT income tax purposes even if you filed Married Filing Jointly with the Internal Revenue Service. Check the box for your applicable VT filing

status. Check the box at the upper right corner of IN-111 to show that you are using recomputed Federal return information. Complete a Federal return for VT purposes only using the exemptions, deductions and rules allowed by the IRS as if you filed Married Filing Separately. Enter the recomputed Federal return information where VT requires Federal information. Enter your spouse's name and Social Security number in the space provided on Line 7. If you elect to file your VT income tax return married jointly, you cannot use Schedule IN-113, Part I to apportion income of the nonresident spouse. The credit for income tax paid to another state, however, is available.

Line 9 Exemptions Enter the number of exemptions claimed on your Federal return or your recomputed Federal return.

NOTE: Federal Forms 1040EZ and 1040NR-EZ only, enter zero if you are claimed as a dependent by another taxpayer in 2010. Enter 1 if you are Single. Enter 2 if you are Married Filing Jointly or Civil Union Filing Jointly.

Enter the difference between the depreciation calculated by standard MACRS methods and the depreciation calculated using the Federal 50% bonus depreciation for assets placed in service in 2010. Go to <http://tax.vermont.gov>, "Publications" to see Technical Bulletin 44 for information on calculating the amount to add back to taxable income.

Line 12c State and Local Income Tax Add Back If you filed a Federal 1040 Schedule A for the 2010 tax year and the deduction for state/local income taxes exceeds \$5,000, you need to complete Schedule IN-154. See page 44.

Interest income is exempt when received directly from the U.S. Treasury or from a trust, partnership, or mutual fund that invests in direct obligations of the U.S. government.

➔ Income from the sale of U.S. government obligations is taxable in VT. Income from repurchase agreements, securities of FNMA, FHMC, or GNMA or other investments that are not direct obligations of the U.S. government are also taxable. See Technical Bulletin 24 for more information.

Supporting Documentation Required: No attachment to return required. However, obtain statements for your tax records in the event the Department requests such documentation. Acceptable statements are Federal Schedule B or other listing with amount and description. Summary information from a K-1 or just a statement "U.S. government securities" without further identification is not acceptable.

Line 14b Capital Gains Exclusion See Schedule IN-153 and instructions to calculate the capital gains exclusion for 2010. See page 44 and also Technical Bulletin 47 on our website under "Publications".

Line 21 Income Adjustment Enter 100.00% or percent from Schedule IN-113, Line 43. → Entry of less than 100.00% requires filing Schedule IN-113.

- You received exempt income as defined under VT Income of Residents on page 6.

Line 22 Adjusted VT Income Tax Multiply Line 20 by the percentage on Line 21. If Line 21 is 100.00%, Line 22 will be the same as Line 20. An entry other than 100.00% requires completion of Schedule IN-113.

Section 5 Credits and Use Tax

Line 23 Credit for Income Tax Paid To Other State or Canadian Province (FOR FULL-YEAR AND PART-YEAR RESIDENTS) Complete Schedule IN-112, VT Calculation B and enter result from Line 6. Attach to Form IN-111.

Line 24 VT Tax Credits Enter the amount from Schedule IN-112, VT Calculation D OR Schedule IN-119.

Line 25 Total VT Credits Add Lines 23 and 24 and enter result.

Line 26 VT Income Tax After Credits Subtract Line 25 from Line 22. If Line 25 is more than Line 22, enter zero.

Line 27 Use Tax (FOR FULL-YEAR AND PART-YEAR RESIDENTS) Use this line to report Use Tax on purchases made for your personal use. Business purchases must be reported on Form SU-451 or Form SU-452.

If you buy an item that would have been subject to VT Sales Tax but did not pay the Sales Tax and the item was used in VT, you owe Use Tax. You acquire a Use Tax obligation when buying goods on the Internet, over the telephone, by mail order, or from a business that did not collect the VT Sales and Use Tax, or when buying in states or countries that do not have or do not appropriately collect the Sales Tax.

Commonly purchased items that give rise to Use Tax liability are:

Electronic equipment; Appliances; Furniture & home furnishings; Building materials; Cabinetry; Jewelry; Downloads of movies (purchased or rented), music, books or ringtones; Computer software (packaged or downloaded); Computer hardware & accessories; Books (hard copy or downloaded); Magazines (hard copy or downloaded); Auto & truck parts & accessories; Sporting goods (including but not limited to bicycles, treadmills, boats); CDs and DVDs.

Use Tax is the same rate as the State Sales Tax. Use Tax does not include the local option Sales Tax. The tax is on the selling price which includes shipping and handling charges.

 **NO Use Tax is due on purchases of food, clothing, medical prescription drugs, or newspapers.**

Examples: (1) In May 2010, you paid \$200 for software delivered by download to your computer. The company charged no Sales Tax. You owe \$12 Use Tax (\$200 x 6%) (2) In July 2010, you purchased books from a mail-order company that shipped the books to your VT home. The charge for the books was \$100 plus \$7.50 shipping. The company did not charge the VT Sales Tax. You owe \$6.45 (\$100 + \$7.50 = \$107.50 x 6%).

You may use the optional Use Tax Reporting Table that bases your Use Tax liability on 0.08% of your Federal Adjusted Gross Income, provided that the cost of each item is less than \$1,000.

USE TAX REPORTING TABLE		NOTE: For each purchase with a total invoice amount of \$1,000 or more, the use tax must be calculated exactly. If also using the Use Tax Reporting table, add the table amount to the calculated amount.
Adjusted Gross Income Form IN-111, Line 10 is:	Use Tax is:	
\$10,000 - 24,999	\$10.00	
\$25,000 - 34,999	\$20.00	
\$35,000 - 49,999	\$28.00	
\$50,000 - 64,999	\$40.00	
\$65,000 - 79,999	\$52.00	
\$80,000 - 99,999	\$65.00	
Over \$99,999	Multiply by 0.08%	

If you have no Use Tax to report, leave Line 27 blank or enter 0 (zero).

If you use the Use Tax Reporting Table, the Department will not assess additional Use Tax unless a purchase with a total invoice amount of \$1,000 is unreported.

Use Tax on items purchased for a business must be reported on Form SU-451 or on Form SU-452 for a one-time purchase. Businesses cannot use the optional Use Tax Reporting Table.

Because proof of Sales Tax paid is required to register an ATV, dirt bike, boat, snowmobile or airplane, use Form SU-452. This form is available on the Department website, or by calling (802) 828-2515 or through the VT Department of Motor Vehicles. For more information or assistance, call the Department at (802) 828-2551.

Section 6 Voluntary Contributions

Enter the amount on the line(s) for the fund(s) to which you wish to contribute. Your refund will be reduced, or your payment increased, by this amount.

→ Your refund or payment must cover all contribution amounts or no contribution is made. *Example:* Your return calculations show a \$60 refund and you make a \$30 contribution - \$10 to each fund. Upon processing, the Department discovers a math error and your refund is now \$25. The refund is less than the \$30 contribution. You will receive the \$25 as an income tax refund and no contributions are made.

 **Line 29a VT Nongame Wildlife Fund Contribution**

The Nongame Wildlife Fund was created to preserve our state's natural wildlife heritage that makes Vermont a special and unique place to live. Many species benefit from your gift, including loons, songbirds, frogs, turtles, bald eagles and butterflies.

This is a convenient way to select wildlife for charitable giving. This gift is deductible on next year's Federal tax return as a charitable contribution. Thank you for caring and giving a "voice" to many of VT's rarest creatures.

To receive a loon decal and annual newsletter featuring projects sponsored by the Nongame Wildlife Fund, contact: Nongame and Natural Heritage Program, VT Fish & Wildlife Department, 103 South Main Street, Waterbury, VT 05671-0501 or call 802-241-3700.

 **Line 29b Children's Trust Fund (VCTF) Contribution**

This fund aims to improve the lives of children and youths by sponsoring programs such as parenting education classes, youth leadership programs, out-of-school time activities, mentoring programs and literacy projects. These programs work to prevent juvenile delinquency, child abuse, and other potential problems children and families face. Funds collected are distributed to VT community organizations. The programs are voluntary and open to the general public. All donations are tax-deductible. Information on VCTF's income and expenses is available on its website in the newsletter financial update section.

To learn more, go to the VCTF website at www.vtchildrenstrust.org or write to VCTF, 19 Marble Avenue, Burlington, VT 05401; or call 888-475-5437.

Line 29c VT Veterans' Fund

The VT Veterans Fund supports our nearly 60,000 honorably discharged veterans. It helps veterans who are homeless, need long-term care, or need transportation. It also helps veterans apply for benefits and supports recognition programs. You can show we care for our veterans by making a tax deductible contribution which will be used within VT. Include a copy of the first two pages of your Federal income tax return and any Federal schedule that documents the income or loss from the VT sale. Do not enter this amount on Line 31a or 31b.

If you claim a credit of Vermont real estate withholding on your Vermont Income Tax return that is not proportionate to your share of the proceeds as reported on your Federal Income Tax Return, the Department may adjust the amount of real estate withholding claimed on your Vermont Income Tax Return. If you believe you are entitled to claim real estate withholding in an amount that is not proportionate to your share of the proceeds, please provide supporting documentation.

For installment sales: You must report the balance of your gain to VT on future returns or elect to pay VT 6% tax on the entire gain in the year of the sale. Line 16 Multiply Line 15 by 24% and enter result.

Line 17 VT-Based Business Solar Energy Investment Credit (as defined by Section 48 of Internal Revenue Code). For Tax Year 2010, VT allows 100% of the Federal credit, with certain restrictions, for a VT-based business solar energy investment. On Line 13, taxpayers report the Federal investment tax credit for a VT-based business solar energy investment. Twenty-four percent of the investment tax credits are calculated on Line 16. On Line 17, taxpayers report the remaining 76% of the credit. **NOTE:** For VT-based business solar energy investment made on or after October 1, 2009, the credit is limited to project costs not covered by grants or similar funding from any public or private program that assists in providing capital investment for a renewable energy project. For credits initially claimed for 2010, a certificate from the Clean Energy Development Board must be submitted with your return. (For more information about the Business Solar Tax Credit Certificate, contact the Clean Energy Development Board.)

Unused VT-based business solar energy investment tax credit may be carried forward no more than five years following the year the credit is claimed (retroactive to credit claim in tax year 2008). See Technical Bulletin 45 on our website under "Publications".

Line 18 Add Lines 16 and 17. Also enter on Form IN-111, Line 19.

VT Calculation B VT Credit for Income Tax Paid to Other State or Canadian Province (FOR FULL-YEAR AND SOME PART-YEAR VT RESIDENTS ONLY)

See Technical Bulletin 38 if you have capital gain, business income, or made adjustments to arrive at Federal Adjusted Gross Income.

Part-Year Residents - Go to our website at <http://tax.vermont.gov> or contact the Department for information on how to file for income earned in another state while a VT resident.

Supporting Documents Required: Copy of 2010 tax return filed in the other state(s). For Canadian Province(s), a copy of 2010 provincial tax return filed, copy of Federal Form 1116 (Foreign Tax Credit) and Revenue Canada income tax return. ➔ Convert amounts on Canadian returns to U.S. dollars.

A credit may be allowed against 2010 VT income tax for income tax paid in this tax year to another state or Canadian province on income taxed by both VT and the other taxing jurisdiction. The credit does not include city or county taxes. Credit for Canadian provincial income tax excludes the portion used as a foreign tax credit on Federal Form 1040. The credit is available for the tax imposed by New Hampshire on gambling winnings.

More Than One State or Province?

- Complete a VT Calculation B for each state or Canadian province. Do not combine the income and credit of all states or Canadian provinces on one Schedule IN-112.
- Add Line 6 from each VT Calculation B to get the tax credit entry on Form IN-111, Section 5, Line 23.
- Attach a Schedule IN-112, VT Calculation B for each state or Canadian province as well as a copy of each state or Canadian provincial income tax return to your VT income tax return.

Line 1 Enter your adjusted gross income from sources outside VT in 2010. Include only income that is taxed by VT and also taxed by another state or Canadian province.

Line 2 Enter the adjusted gross income from Form IN-111, Line 10.

Line 3 Enter the VT Income Tax from Form IN-111, Line 20.

Line 4 Divide Line 1 by Line 2; then multiply the answer by Line 3, and enter result. This is the amount of VT tax that would have been due on the income taxed in another state or Canadian province.

Line 5 Enter the amount of 2010 tax year income tax paid to the other state or Canadian province on the income reported on Line 1 of this schedule. ➔ County and city taxes cannot be included. Use only the tax paid; withholding is not income tax paid.

Line 6 Enter the lesser of Line 4 or Line 5. This is the allowable tax credit. Enter this amount on Form IN-111, Line 23.

VT Calculation C VT Earned Income Tax Credit (FOR FULL-YEAR AND PART-YEAR VT RESIDENTS ONLY)

Taxpayers Not Eligible for credit:

- Nonresidents of VT
- Those with filing status of Married Filing Separately or Civil Union Filing Separately.
- Those not eligible to receive the Federal Earned Income Tax Credit

Supporting Documents Required: Evidence of earned income such as W-2 or self-employment schedule(s). Part-Year Residents must also file Schedule IN-113.

Complete the Federal earned income tax credit worksheet before doing the VT calculation. A taxpayer must be allowed the Federal earned income tax credit to be eligible for the VT earned income tax credit. Vermont uses the Federal earned income tax credit definitions and rules.

➔ Eligibility questions A and B must be answered. The claim will be disallowed if the questions are not answered.

For Line 1 or Line 7: Use entry from Federal Form 1040, Line 64a; or Form 1040A, Line 41a; or Form 1040EZ, Line 9a.

Full-Year Residents Only

Line 1 Enter the amount of your Federal earned income tax credit.

Line 2 Multiply Line 1 by 32%. Enter the result and also enter on Form IN-111, Line 31c. This is your VT earned income tax credit.

Part-Year Residents Only

Line 3 Enter the amount of wages, salaries, tips, etc. from Schedule IN-113, Part I, Line 1, Columns A and B respectively.

Line 4 Other earned income includes income from a business, partnership, or farm. Add the amounts on Schedule IN-113, Part I, Lines 6, 10, and 12, Columns A and B respectively.

Line 5, Column A Add Lines 3 and 4 in Column A and enter result.

Line 5, Column B Add Lines 3 and 4 in Column B and enter result.

Line 6 Divide Line 5, Column B by Line 5, Column A. Enter the result as a percentage carried out to two decimal places. This is the percentage of 2010 income earned in VT that is eligible for the VT earned income tax credit.

Example $\frac{\$1,200 \text{ (Line 5, Column B)}}{\$3,300 \text{ (Line 5, Column A)}} = .3636 \text{ or } 36.36\%$

NOTE: Adjustment can never be more than 100.00%.

Line 7 Enter the amount of your Federal earned income tax credit.

Line 8 Multiply Line 7 by 32% and enter result.

Line 9 Multiply Line 8 by Line 6. Enter the result and also enter on Form IN-111, Line 31c. This is your VT earned income tax credit.

VT Calculation D VT Income Tax Credits

Line 1 VT Higher Education Investment Plan (VHEIP)

The credit is available only for contributions to the 529 plan administered by VT Student Assistance Corporation. See Technical Bulletin 33 on our website under "Publications".

Supporting Document Required: Statement or certificate from VT Student Assistance Corporation or administrator of the investment plan.

You may be eligible for a tax credit on contributions made during calendar year 2010 to the VT Student Assistance Corporation higher education investment plan. The tax credit equals 10% of the first \$2,500 of contributions per beneficiary. For jointly filed returns, each spouse can contribute to a beneficiary's account and each spouse may claim the credit for his or her contributions. Contributions made by another person not listed as the account owner (except spouses filing jointly) are not eligible for the credit.

Example: Canute and Olga, husband and wife, file a joint income tax return. Canute opens a VHEIP account for Junior, a grandchild, with a \$2,500 contribution in 2010. Canute also opens a VHEIP account for Sissy, a grandchild, with a \$1,000 contribution in 2010. Olga contributes \$1,000 to Junior's account and contributes \$3,000 to Sissy's account. The total tax

credit is \$700. Attributable to Canute's contribution is \$350 (10% of \$2,500 to Junior's account and 10% of \$1,000 to Sissy's account; attributable to Olga's contribution is \$350 (10% of \$1,000 to Junior's account and 10% of \$2,500 maximum for Sissy). The contributions may come from the spouse's joint bank account or their individual accounts.

Example: Ollie and Lena, husband and wife, use married filing separate status. Ollie opens a VHEIP account for Olaf, his son, with a \$2,500 contribution in 2010. Ollie also opens a VHEIP account for Frieda, his daughter, with a \$1,000 in 2010. Lena contributes \$1,000 to Olaf's account and \$3,000 to Frieda's account. Ollie's tax credit is \$350 (10% of \$1,000 + 10% of \$2,500 max). Since Lena is not a named account holder and filing separately, she cannot claim a credit.

Example: Briget opens an account for Arkin, her son. She contributes \$2,500 to the account in 2010. Uncle Jim also makes a \$1,000 contribution to Arkin's account. Briget's contribution provides a \$250 tax credit for her. Since Uncle Jim is not the owner of the account, he cannot claim a credit.

For more information on the VT Higher Education Investment plan, go to the VSAC website at www.vsac.org or call 1-800-637-5860 Monday through Friday, 8 a.m. to 8 p.m.

Taxpayers receiving tax credit for Lines 2, 3 & 4 through S corporations, LLCs, LLPs, or partnerships, enter the name of each entity and its FEIN on the schedule.

Line 2 Commercial Film Production A taxpayer may receive a credit against VT income tax if the taxpayer's state of residence also taxes income received from a dramatic performance in a commercial film production. The credit equals the difference between the income taxed at the VT tax rate and the income taxed at the other state's highest personal income tax rate.

Line 3 Charitable Housing A taxpayer making an investment in an eligible housing charity may receive a credit against VT income tax. The credit is the difference between the net income that would have been earned by the charitable threshold rate and the actual net income received, but not more than 3% of the average outstanding principal balance of the investment during the taxable year. The Commissioner of Housing and Community Affairs calculates the credit.

Line 4 Qualified Sale of Mobile Home Park A taxpayer may receive a credit against VT income tax equal to 7% of the taxpayer's gain subject to Federal income tax on a qualified sale of a mobile home park. A qualified sale means the sale is made to a group made up of a majority of the mobile home park tenants or to a nonprofit organization representing such group. Credit exceeding the tax liability may be carried forward for up to three years.

Line 5 Total Credits Add entries from Lines 1-4 in Column C. Enter on Form IN-111, Line 24, unless you claim income tax credits on Schedule IN-119. For Schedule IN-119 filers, enter credit on the appropriate Schedule IN-119 line(s). Use amount calculated from Schedule IN-119 for entry on Form IN-111, Line 24.

SCHEDULE IN-113 INCOME ADJUSTMENT

Supporting Documents Required: Copies of pages 1 and 2 of Federal income tax return and any Federal schedules reporting VT income or loss.

➔ If you recomputed the Federal return for VT purposes only, use the recomputed amounts and send a copy of the Federal income tax return filed with the IRS and the recomputed return for VT tax purposes.

➔ For Married Filing Separately or Civil Union Filing Separately, all income of the individual filing must be included in Column A – not just VT income. The adjustment calculation excludes the non-VT income.

Residents: Use Part II to adjust for income exempt from VT income tax. A return filed as Married Filing Jointly where one spouse is not a VT resident and has no VT income cannot use Part I of IN-113. The income tax paid by the non-resident spouse is a credit for income taxes paid to another tax jurisdiction. See Schedule IN-112, VT Calculation B and Technical Bulletin #55.

Part-Year Residents and Nonresidents: Complete Parts I and II. Part-Year Residents may, in some cases, be able to adjust VT income by both the VT percentage of income and claim a credit for income tax paid to another tax jurisdiction. The income tax paid must be for income earned in VT while a VT resident. Go to our website at <http://tax.vermont.gov> or contact the Department for information on how to file for income earned in another state while a VT resident. See page 7 for a definition of nonresident and part-year VT income.

PART I (For Nonresidents and Part-Year VT Residents)

NOTE: For Line 3A - Use amount from 1040, Line 9a or 1040A, Line 9a.

For Lines 6A, 10A, and 12A - Use amount from Federal K-1 **before** recalculation for exclusion of bonus depreciation.

For Line 13A - Use amount reported on Federal income tax return

For Line 15A - Use amounts from 1040, Lines 14 and 21.

Nonresidents: Use this line to adjust for non-VT state and local obligations and U.S obligation interest.

Line 15, Column A Examples of other income: gambling winnings including lotteries, raffles or lump-sum payment from sale of right to receive future lottery annuity; reimbursement this year for items itemized last year such as medical expenses; interest; income from rental of personal property; taxable distributions from Coverdell ESA or Qualified Tuition Plan, medical savings account or Archer MSA.

NOTE: For Line 3B - Use the amount of ordinary dividends received while a VT resident.

For Lines 6B, 10B, and 12B - Use amount from K-1VT **before** recalculation for exclusion of bonus depreciation.

For Line 13B - Use amount received while a VT resident. See instructions for Line 17B for examples of how to calculate the VT portion.

For Line 15B - Use the amount of other income earned or received from 1040, Lines 14 and 21 from Vermont sources.

Nonresidents: Use this line to adjust for non-VT state and local obligations and U.S obligation interest.

Line 15, Column B Enter the portion of Other Income earned or received from VT sources.

Line 17, Column A Enter the Federal adjustment for Keogh, SEP, or SIMPLE deduction from 1040 Line 28; IRA deduction from 1040, Line 32 or 1040A, Line 17.

Line 17, Column B Enter the VT portion. This is determined by using the percentage of VT earned income to the amount of earned income reported on the Federal return. *Examples:* (1) Charles moves to VT in July. His total Federal wages are \$20,000. Charles is a VT resident for six months. He earned \$10,000 in VT. The VT portion is 50% as he earned 50% of his income in VT. Charles has an IRA deduction of \$1,000. The amount to enter in this column is 50% of \$1,000 or \$500. For a joint return, use the

The Claimant is the leaseholder or the person responsible for the rent. Only one claim per household is allowed.

Line 1 VT School District Code Go to the table on page 14 and select the three-digit school district code for the town where you lived on December 31, 2010.

Line 2 Legal Residence Enter your legal residence as of December 31, 2010. Your legal residence is where you live and may be different from your mailing address. If you live where there is both a city and town with the same name, please specify the one in which you reside. *For example:* St. Albans City or St. Albans Town.

Location of Rental Property Enter the physical location of the homestead. *Examples:* 133 Main Street, Apt 2C; 425 Farm Road; 210 US Rt 7N **DO NOT** enter post office box, "same", "see above," or the town name.

Eligibility Questions Check the appropriate "Yes" or "No" box for Q1 and Q2 to determine your eligibility.

Rebate Calculation

NEW! Only the rent paid during the calendar year is eligible for a renter rebate. Property tax on the rental unit can no longer be used.

Line 3 Allocable Rent Enter from Landlord's Certificate, LC-142, Line 16. Allocable rent is based on rent paid in a calendar year. **MORE THAN ONE LANDLORD'S CERTIFICATE:** Add Line 16 from each certificate and enter on this line. File all LC-142s with your claim.

Line 4 Home Use If you use more than 25% of your rental unit's floor space for business purposes, the allowable rent amount is adjusted. The percentage of business use is generally the same percentage used on your Federal income tax return when there is more than 25% business use. To calculate business use, divide the square feet used for business by the total square feet in the rental unit. *Example:* You use an 11' x 12' room for an office and inventory storage. Your rental unit is 484 square feet (including the business use). Your business use is 11 x 12 = 132 sf / 484 = 27.00 business use. Entry on Line 4 for home use is 73.00 (100% - 27%).

If all home use, or business use is 25% or less, enter 100.00% on Line 4.

Line 5 Allowable Rent for Rebate Claim Multiply Line 3 by Line 4.

Line 6 Household Income Enter the amount from Schedule HI-144, Line y. See page 48 for definition of household income.

Line 7 Maximum Percentage of Income for Rent Use the chart to find your household income group and applicable percentage. Enter that percentage here.

Line 8 Maximum Allowable Rent for Household Income Multiply Line 6 by Line 7. If Line 8 is more than or the same as Line 5, you are not eligible.

Line 9 Renter Rebate Amount Subtract Line 8 from Line 5. This is your 2010 renter rebate. If you are filing the renter rebate claim with your 2010 VT income tax return, also enter this amount on Form IN-111, Line 31d. You will be issued one check combining any income refund or rebate due you.

EDUCATION PROPERTY TAX RATES, HOMESTEAD DECLARATION, AND PROPERTY TAX ADJUSTMENT

(FOR VT RESIDENTS ONLY)

The State of VT funds public elementary and high school education through a statewide property tax. VT offers property tax relief to eligible homeowners based on a percentage of their household income.

EDUCATION PROPERTY TAX RATES

VT towns classify property on their grand lists as either homestead or nonresidential. A different education property tax rate applies to each classification.

Homestead Property is owned and occupied by a VT resident as his or her principal home on April 1 and is declared as a homestead on Form HS-131 filed with the VT Department of Taxes.

Nonresidential Property is (1) property used for commercial purposes or as a camp, second home or summer cottage; (2) property not used as a homestead on April 1; or (3) property not declared as a homestead by the due date.

FORM HS-131, HOMESTEAD DECLARATION

The Homestead Declaration is no longer required to be filed each year.

The 2010 Homestead Declaration remains on record until the property is sold, business/rental use changes or is not being used as a homestead.

NOTE: The Property Tax Adjustment Claim, Form HS-145, must be filed each year.

The Homestead Declaration and Property Tax Adjustment Claim that were previously combined on Form HS-122 are now two separate forms.

When to File A Homestead Declaration

- **Use Change** If you increase or decrease the portion of the homestead that is rented or used for business from the 2010 declaration, you must file a new declaration.
- **Purchase of a Homestead** If you buy property that you will own and occupy as your principal residence on April 1, you need to file a declaration. You can complete the declaration and file it with the Department at the time of the closing.

If you conveyed your homestead into a revocable trust (grantor trust) and you are the sole beneficiary of the trust, you need to file a new Homestead Declaration and check box 4a. If you sold the homestead but retained a life estate, you need to file a new Homestead Declaration and check box 4b.

NOTE: If you sold property declared as your homestead, you must also file Form HS-132, Notice to Withdraw Vermont Homestead Declaration, within 30 days of the transaction.

Due Date APRIL 18, 2011 The Homestead Declaration may also be filed between April 19 and September 1, 2011; however, a late filing penalty applies.

A Homestead Declaration filed after September 1, 2011 will result in the property not being classified as homestead and the education property tax will be at the higher rate.

Late Filing Penalty Homestead Declarations filed after April 18, 2011 are assessed a penalty of 3% of the education property tax if the nonresidential rate is higher than the homestead rate, or 8% of the education property tax if the homestead rate is lower than the nonresidential rate. The penalty is billed and collected by the town.

Homestead and Nonresidential Property Use A property may be classified as both homestead and nonresidential. The property tax bill will show a homestead education property tax rate and a nonresidential education property tax rate. When a portion of the property is the homestead and a portion is used for business purposes or rented, the following rules apply for Form HS-131, Homestead Declaration, or Form HS-132, Homestead Use Change:

Business Use: If no part of the homestead is used for business or the business use is 25% or less of the homestead, the entire property is taxed at the homestead education property tax rate. More than 25% business use of the homestead - enter the appropriate percentage. The business use is the same as reported on your Federal income tax return. Examples for calculating business use: (a) 1,800 square foot home with 635 square feet used as a home office and inventory storage. There is 35.28% of business use (635/1800); round the business use to 35%. The business use portion will be taxed at the nonresidential education property tax rate. (b) 1,200 square foot home with 250 square feet used as a home office. There is 20.83% business use (250/1200); round the business use to 21%. Because the business use is less than 25%, the entire property will be taxed at the homestead education property tax rate.

Rental Use: The portion of your home that you rent to another person is not part of your home and is taxed at the nonresidential education tax rate. All rental use must be reported. **There is no 25% allowance for rentals.** The rental use percentage is the same as reported on your Federal income tax return. Example for calculating rental use: 1,800 square foot home with 400 square feet rented out. There is 22.22% rental use (400/1800); round the rental use to 22%. Seventy-eight percent of the homestead will be taxed at the homestead education property tax rate and twenty-two percent at the nonresidential education property tax rate.

NEW! **FORM HS-132, NOTICE TO WITHDRAW VERMONT HOMESTEAD DECLARATION**

The property owner is required to notify the Department within 30 days of the following:

- **Property Sold** The seller must withdraw the declaration when transferring the title of the homestead to another owner. **NOTE:** The property tax adjustment remains with the property. The allocation of the seller's property tax adjustment is determined at the closing. Selling includes conveyance of the property to a trust, an estate, or creation of a life estate. You can complete the notice and file with the Department at the time of the closing. See *Ownership Situations* for information on eligible trusts; *Special Situations* for estates; *Definitions of life estate*.
- **Property No Longer A Homestead**
- **Property Owned By Estate** and it has been more than one year since homeowner's death.
- **Declaration Submitted In Error**

NOTE: A new owner of the homestead must file his or her own Homestead Declaration.

Due Date Notification needs to be provided to the VT Department of Taxes within 30 days of the event.

NEW! **FORM HS-145, PROPERTY TAX ADJUSTMENT CLAIM**

Eligibility A homeowner eligible for an adjustment is one who (1) owned and occupied the property as his or her principal home on April 1, 2011; (2) was a VT resident all of calendar year 2010; (3) was not claimed as a dependent by another taxpayer for tax year 2010; and (4) has household income of \$97,000 or less in 2010.

The Adjustment The town receives notification of the adjustment amount which is credited to the property tax bill. The town issues the homeowner a bill for the balance due.

Adjustment Calculation Basis The 2011 property tax adjustment is based on 2010 household income and the 2010/2011 property taxes.

Claiming an Adjustment To make a property tax adjustment claim, complete Form HS-145. See instructions on page 32.

Due Dates

On or before April 18, 2011 is a timely filed Form HS-145. When filed by the due date, eligible homeowners receive a credit on their 2011/2012 property tax bill on July 1, 2011.

Between April 19 and September 1, 2011 is a late filed Form HS-145. However, eligible homeowners can still receive a credit on their 2011/2012 property tax bill that is applied on September 15, 2011. A \$15 late filing penalty is deducted.

After September 1, 2011 the filing of Form HS-145 cannot be accepted.

Receipt Date A return mailed through the U.S. Post Office will be considered timely if it is received by the Department within 3 business days of the due date. If you file electronically, the receipt date is the date of transmission. If you bring the return to the Department in person, the Department must receive the return on or before the due date.

Extension of Time No extension of time to file Form HS-145 is available. Form HS-145 must be filed by the due date.

Determining Household Income When You Have An Extension of Time to File Your Income Tax Return If you are not able to determine your household income by the due date and are making a property tax adjustment claim, complete Schedule HI-144 using the best information available and file Form HS-145 with the Schedule HI-144 no later than September 1, 2011. You are responsible for filing an amended Schedule HI-144 as soon as your household income is known. See page 48 for information on household income.

SPECIAL SITUATIONS

Deceased Homeowner

Property Tax Adjustment: An estate cannot make a property tax adjustment claim on behalf of a deceased homeowner. If a homeowner files a property tax adjustment claim but dies prior to April 1, the estate must withdraw the claim. The estate is responsible to repay any adjustment issued. If the homeowner filed a property tax adjustment claim between January and March 31 and dies after April 1, the commissioner may pay the adjustment to the town on behalf of another member of the household with ownership interest.

Homestead Declaration: If the spouse/civil union partner of the deceased homeowner or another owner occupies the property as his or her principal residence, a new HS-131, Homestead Declaration, must be filed if the homeowner died prior to April 1.

An estate may continue classification of the property as a homestead until the following April provided the property was the deceased homeowner's homestead at the time of death and the property is not rented. The estate must file Form HS-132, Notice to Withdraw Vermont Homestead Declaration, the following April if the property is not being used as a homestead or within 30 days of the sale of the property, whichever event occurs first.

Delinquent Property Tax The 2011 property tax adjustment applies to the current year property tax. The municipality may use any remaining adjustment towards penalty, interest or prior year property taxes.

Nursing Home or Residential Care If the homeowner is age 62 or older and another owner who also lives in the homestead is the homeowner's spouse/civil union partner or sibling and has moved indefinitely from the homestead to a nursing home or residential care facility, the homeowner makes the property tax adjustment claim with 100% ownership interest provided that the spouse/civil union partner or sibling does not make a Renter Rebate Claim or the spouse/civil union partner or sibling does not make a property tax adjustment claim for the same homestead.

If the homeowner has moved to a nursing home or residential care facility, a property tax adjustment claim may be made if there is a reasonable likelihood that the homeowner will be returning to the homestead and provided that the homeowner does not make a Renter Rebate Claim. The Department may ask for a doctor's certificate to help determine whether the nursing home or residential care facility is a temporary location.

Renting at the End of the Year If you owned a VT homestead in 2010, sold the homestead before April 1, 2010, did not receive a property tax adjustment on the property sold, and rented between the date of the sale and December 31, 2010, you may be eligible for a renter rebate on rent paid in 2010. A renter rebate is available to those persons with household income of \$47,000 or less. **NOTE:** This is the only situation where a renter rebate can be claimed for less than 12 months rental.

OWNERSHIP SITUATIONS

Homeowner Age 62 or Older in 2010 If the homeowner shares ownership of the homestead with his or her descendent(s), the homeowner may claim 100% ownership interest on the property tax adjustment claim, even if the other owners (descendents) do not live in the homestead. A letter of explanation may be requested.

Divorced or Legally Separated Joint Owners If you are (1) divorced or legally separated from your spouse/civil union partner, and (2) the name of the spouse/civil union partner from whom you are divorced or legally separated remains on the deed, and (3) you are awarded possession of the home, you claim as ownership percentage the property taxes for which you are responsible under the final divorce decree or court order. If the divorce decree or court order does not specify responsibility for the property taxes, the person residing in the homestead uses 50% ownership interest.

The person not living in the homestead cannot make a property tax adjustment claim. *Examples:* (a) Dan and Lynn are divorced/legally separated but both names remain on the deed. Lynn is granted possession of the homestead and full responsibility for all the property taxes. Lynn claims 100% ownership on the property tax adjustment. (b) Ethan and Myrna are divorced/legally separated but both names stay on the deed. Myrna is given possession of the homestead and Ethan has responsibility for all the property taxes. Myrna cannot make a property tax adjustment claim as she is not responsible for the property taxes. Ethan cannot make a property tax adjustment claim as he does not occupy the homestead as his principal residence. (c) Paul and Robert are divorced/legally separated but both names remain on the deed. Robert is given possession of the homestead. The divorce decree/court order does not specify who is responsible for the property taxes on the homestead. Robert claims 50% as ownership interest on the property tax adjustment claim. Paul cannot make a property tax adjustment claim as he does not occupy the homestead as his principal residence.

The Department may ask for a copy of the portions of the court documents showing the court, date filed, signature page, and the homestead related provisions.

NOTE: Unless the use of the property has changed, the Homestead Declaration filed in 2010 remains in effect. See page 44 for information when a new Homestead Declaration or change notice must be filed.

Duplex Housing WHEN BOTH OWNERS OCCUPY THE BUILDING AS THEIR PRINCIPAL RESIDENCE, the eligible housesite education property tax is the tax on the portion owned by each homeowner. If the town issues a property tax bill to each homeowner for his or her portion of the homestead, use the housesite value, housesite property tax and 100% ownership interest. If the property tax bill is for the total property, pro rate the housesite value, housesite property tax and ownership interest. *Examples:* (a) Jack and Jill own a duplex and each occupies half as their principal residence. The town sends them separate property tax bills for their units. Jack and Jill complete the property tax adjustment claim using the housesite value and property tax on the property tax bill and 100% ownership interest. (b) Sally and Sara own a duplex and each occupies half as her principal residence. The town sends one property tax bill for the whole parcel. Sally and Sara use one-half of the housesite value and property tax on the property tax bill and 100% ownership interest.

WHEN BOTH OWNERS DO NOT OCCUPY THE DUPLEX AS THEIR PRINCIPAL RESIDENCE, the owner occupying the duplex as his or her principal residence must pro rate for the other owner's interest. *Examples:* (a) Tom and Jerry own a duplex. Tom owns and occupies his portion of the duplex as his principal residence. Jerry rents out his portion. The town issues a property tax bill to each owner for his portion of the homestead. Tom may make a property tax adjustment claim and uses the housesite value and property tax but must use 50% ownership to adjust for Jerry's ownership interest in Tom's portion of the duplex. (b) Dick and Jane own a duplex. The town issues a single property tax bill for the whole parcel. Dick occupies his portion of the duplex as his principal residence, Jane does not. He may make a property tax adjustment claim and uses one-half of the housesite value and property tax and must use 50% ownership to adjust for Jane's ownership interest in Dick's portion of the duplex.

Entity Ownership Property owned by a C or S corporation, partnership, or limited liability company cannot be claimed as an individual's homestead and is not eligible for property tax adjustment. There is an exception for a homestead located on a farm. See Regulation 1.5401.

Life Estate A person who holds a life estate interest in a property that he or she occupies as a principal residence may make a property tax adjustment claim as if the life estate holder was the owner of the property. The deed does not have to be attached to the property tax adjustment claim but must be available for review upon Department request.

Shared Ownership of the Homestead When a homestead is owned by someone(s) other than the homeowner making a property tax adjustment

claim and member(s) of the household, the ownership interest is the combined ownership percentage of the household. *Example:* (a) James, Grace and Lucinda jointly own the homestead and all occupy the homestead as their principal residence. The ownership interest is 100%. (b) Tim and Al own a home. Tim occupies the property as his principal residence; Al does not live there. The ownership interest on Tim's property tax adjustment claim is 50% to adjust for Al's ownership interest in the property.

Trust Ownership A property owned by a trust is not a homestead unless the trust is (1) revocable, or becomes irrevocable solely by reason of the grantor's death; (2) the property is the principal residence of the grantor; and (3) the grantor is the sole beneficiary of the trust. The term "sole beneficiary" is satisfied if the homeowner and the spouse/civil union partner of the spouse are the only beneficiaries of the trust. A property owned by an irrevocable trust cannot be a homestead except as stated in (1) above. The trust document does not have to be attached to the property tax adjustment claim but must be available for review upon Department request.

BUYING and SELLING PROPERTY

NOTE: The property tax adjustment stays with the property. The allocation of the seller's property tax adjustment is determined at the closing.

Buying after April 1, 2010 For property purchased as your principal residence, you need to file a 2011 Homestead Declaration. If you are eligible to make a 2011 property tax adjustment claim and if the property was declared as a homestead in 2010, use the seller's property tax bill. If the property was not a homestead in 2010, ask the town for the housesite value and the property taxes on the housesite as if were a homestead in 2010.

Property Transactions between July 1, 2010 and March 31, 2011 A new law effective July 1, 2010 requires the Seller to notify the Department of the sale of a homestead and to withdraw the Homestead Declaration within 30 days of the transaction date. The Seller uses Form HS-132 to withdraw the declaration. The Seller may complete and file Form HS-132 with the Department at the time of the closing.

If the property is purchased for use as a homestead that will be owned and occupied by the owner on April 1, 2011, the Buyer files his or her own Homestead Declaration on Form HS-131. The Buyer may complete and file Form HS-131 with the Department at the time of the closing. The Buyer may also be eligible for a 2011 property tax adjustment. The property tax adjustment may be claimed by filing Form HS-145. See page 32.

Unless agreed otherwise by the Buyer and Seller, any property tax adjustment paid on behalf of the seller is treated as a payment of property tax by the Seller and allocated at closing.

Property Transactions after April 1, 2011 The Seller must file Form HS-132 to withdraw the Homestead Declaration within 30 days of the transaction date. If the property is purchased for use as a homestead that will be owned and occupied by the Buyer on April 1, 2012, the Buyer files his or her own Homestead Declaration on Form HS-131. The Buyer may complete and file Form HS-131 with the Department at the time of the closing.

Unless agreed otherwise by the Buyer and Seller, any property tax adjustment paid on behalf of the Seller is treated as a payment of property tax by the Seller and allocated at closing.

NEW CONSTRUCTION

New homestead construction where the property was built after April 1, 2010 and is owned and occupied as a principal residence on April 1, 2011, file Form HS-131 Homestead Declaration. Eligible homeowners may make a 2011 property tax adjustment claim. The claim will be based on the value as of April 1, 2010 of the parcel, site improvements or structures in existence and up to two acres of land.

GENERAL INSTRUCTIONS

Due Dates. This schedule must be filed with Form HS-145 or PR-141 by APRIL 18, 2011. Claims filed between April 19 and September 1, 2011 are late but will be accepted. Claims filed after September 1 cannot be accepted. **NOTE:** A \$15 late filing penalty applies to the property tax adjustment claim.

Do You Have An Extension of Time to File Your VT Income Tax Return?

If you cannot determine your household income (for instance, K-1 statements or other information is unavailable), complete Schedule HI-144 with the best information available and file the HI-144 with the HS-145 or PR-141 no later than September 1. *You are responsible for filing an amended HI-144 when your final tax return is filed if the amount reported on the HI-144 turns out to be incorrect.* See the instructions for Amending or Changing your Household Income.

NOTE: There is NO extension of time available to file Form HS-145 or Form PR-141 beyond the September 1, 2011 date.

Household Members include you, your spouse/civil union partner, roommates, and family members (including children) even if they file their own income tax returns and are not considered dependents.

Exceptions - The following are not considered household members:

- A person who is not related to any member of the household and who is living in the household under a written homesharing agreement pursuant to a nonprofit homesharing program authorized by the VT Department of Disability, Aging and Independent Living.
- A person living in the household who is a bona fide employee hired to provide personal care to an unrelated household member.
- A person who resides with the claimant for the primary reason of providing attendant care services or homemaker or companionship services with or without compensation that allows the claimant to remain in his or her home or avoid institutionalization and the claimant is disabled or was at least 62 years of age as of December 31, 2010.

Members of the household for a portion of the year. You must include the income received by any person during the time he or she resided in the house or apartment. For example, Joe lived in the household from September to December of 2010. Joe's annual income was \$30,000 but he received \$21,000 during the time he lived in the household. \$21,000 is the amount that must be included in the household income.

Household Income Lines a-m on Schedule HI-144 list the items of income that are required to be reported for Household Income.

Report your income under Column 1, Claimant.

Your spouse/civil union partner income is reported under Column 2.

Exceptions applying to spouse/civil union partner - (1) Unless you are legally separated, your spouse/civil union partner's income must be included even if that person is not living with you; and (2) Income of a spouse who is age 62 or older and has moved permanently to a nursing home or other care facility is not included.

Income from all others who resided in your house or apartment under Column 3, Other Persons.

Exclusions: The following are not part of household income:

- Payments by the State of Vermont for foster care pursuant to Chapters 49 and 55 of Title 33.
- Payments by the State of Vermont to a family for the support of an eligible person with a developmental disability.
- Payments by the State of Vermont or an agency designated in Title 18 Section 8907 for adult foster care payments (formerly "difficulty of care" payments).
- Surplus food or other relief in kind supplied by a government agency.
- The first \$6,500 of income received (earned or unearned) by a person who qualifies as a dependent of the claimant under the Internal Revenue Code and who is the claimant's parent or disabled adult child.
- The first \$6,500 of income earned, such as wages, salaries, tips, etc., by a full-time student who qualifies as a dependent of the claimant (all unearned income must be reported)
- The first \$6,500 of gifts of cash and cash equivalents received by all household members.
- Distributions from the contributions to a ROTH IRA (distributions from the earnings of the ROTH IRA are to be reported in household income).
- Gifts from a nongovernmental source, such as aid provided by the Red Cross, Salvation Army, a church, to assist paying a living expense - for example, fuel, utilities, rent.

Contact the Department of Taxes or go to the website for information on when the income of a grantor to a trust may need to be included.

Amending or Changing your Household Income. You can change the household income reported on the Schedule HI-144 that accompanied the original filing of Form HS-145 or Form PR-141 provided the change is made within three years of the April 15 due date.

To amend household income, complete HS-145 or PR-141 and check the amendment box on Line 11 on the HS-145 or Line 6 on the PR-141. All the entries on HS-145 or PR-141 must be the same as originally filed except the household income amount. Complete Schedule HI-144, Household Income, for the appropriate year with the new household income information.

Examples of when household income needs to be amended include: (1) you received a corrected K-1 that increases or decreases the amount reported on HI-144; (2) you received a late W-2; (3) the IRS made changes to your income; (4) you estimated household income because you were filing your income tax return under an extension. Remember to correct the adjustment for Social Security and Medicare taxes withheld on Line o to correspond with the corrected amounts.

LINE BY LINE INSTRUCTIONS

Cash equivalent includes stocks, bonds, treasury obligations, certificates of deposit or other instruments convertible to cash.

Line h Business income Enter income attributable to a business. If there is a business loss, enter zero (0). You cannot offset the loss of one business against the income of another business. Each Schedule C stands on its own. Do NOT use the aggregate amount on Federal Form 1040 Line 12. You can offset a business loss against a capital gain if it occurred in the same tax year and for the same business. See Technical Bulletin #__.

Line i Capital gains Report gains from Federal Form 1040 Schedule D: Add Lines 6 and 14 and subtract this amount from Line 16. If Line 16 is smaller than total of Lines 6 and 14, enter zero. For Federal Form 1040A, use Line 10 but not less than zero. For purposes of household income, a capital loss carryforward cannot offset a current year capital gain.

NOTE: Capital gains on the sale of your primary dwelling that is excluded from Federal adjusted gross income must be reported in household income.

Exception: A business loss may offset a capital gain on the sale of the business' property provided (1) the loss and capital gain are for the same business; and (2) the Internal Revenue Service requires the capital gain to be reported; and (3) the business loss and capital gain from the sale of the business' property both occurred in the 2010 tax year. If the offset of the capital gain by the loss creates a negative amount, enter zero (0). A capital loss cannot offset business income.

Line j Taxable pensions, annuities, and retirement fund distributions Enter the income from retirement, deferred compensation plans and annuities as reported on Federal Form 1040, Lines 15b and 16b; or Federal Form 1040A, Lines 11b and 12b. Household income includes non-qualified distributions from retirement and deferred compensation plans and both taxable and nontaxable federal pension and annuity benefits.

Line k Rental and Royalty income Enter the income from each rental property you own as reported on Federal Schedule E, Part I. Each rental property stands on its own. A loss generated by one property may not be used to reduce income from a different property. See Technical Bulletin #__ for the proper treatment of rental income and losses. Room and board payments made to you by member(s) of the household is rental

income and must be reported on this line. Royalty income - Report income from Federal Form 1099-MISC, 1099-S, K-1 or Schedule E, Part I.

Line l Income from Partnerships, S Corporations, LLCs, Farms, Trusts and Estates Federal Schedule K-1 pass-through income as required to be reported on Federal Form 1040, Schedules E and/or F. Report ordinary business income, rental income and guaranteed payments from K-1 on this line. The loss from one K-1 cannot offset income from another K-1. A loss is reported as zero. See Line i instructions for the only provision allowing netting of a business loss.

Line m Other income Sources of other income include, but are not limited to, prizes and awards, gambling or lottery winnings, director's fees, employer allowances, taxable refunds from Federal Form 1040, Line 10, allowances received by dependents of armed service personnel and military subsistence payments (BAH, FSA), loss of time insurance, cost of living adjustment paid to federal employees, and other gains from Federal Form 1040, Line 14. Report on this line income reported to you by Federal Form 1099-MISC or W-2G.

Line n Add items a through m by column. Carry those amounts over to the top of the next page.

ADJUSTMENTS TO INCOME: The following adjustments to household income may be made for each member of the household for whom such item of income was reported.

Line o Social Security and Medicare Tax Withheld and Self-Employment Tax on Income Reported

Social Security and Medicare Taxes

If these taxes are withheld from your income, they may be subtracted from household income to the extent the income is included. Generally, the Social Security and Medicare taxes withheld is found on your W-2. Do NOT use the W-2 withholding amount for:

NOTE: This adjustment is for Social Security and Medicare taxes; not the Medicare premium deducted from Social Security payments.

(1) Deferred compensation contributions not included in Federal adjusted gross income but with respect to which Social Security and Medicare taxes were withheld. Because the deferred compensation contribution is not reported in household income, the Social Security and Medicare taxes on the W-2 must be reduced for this adjustment. Multiply the taxable income in Box 1 of the W-2 by 7.65% and use this amount. *Example:* You contribute \$5,000 to a deferred compensation plan. Your W-2 Box 1 shows \$50,000 taxable income and \$55,000 taxable for Social Security and Medicare taxes in Boxes 3 and 5. The deferred compensation contribution is not reported in household income. Multiply \$50,000 by 7.65%. The resulting \$3,825 is the Line o adjustment entry for this household member's income; NOT the W-2 amounts.

(2) Portions of income not required to be reported in household income upon which Social Security and Medicare taxes were withheld. *Example:* The first \$6,500 of income earned by a full-time student qualified as your dependent is not required to be reported in household income. The student earns \$10,000. Because \$6,500 of the income is not included in household income, multiply \$3,500 by 7.65%. The resulting \$268 is the Line o adjustment entry for this household member's income; NOT the W-2 amounts.

Self-Employed Social Security and Medicare Taxes Paid Self-employed claimants may subtract from household income the amount from Federal Schedule SE, Line 5 or 12 that represents the Social Security and Medicare taxes paid for 2010. The amount of Social Security and Medicare taxes reported on this line includes the allowable deduction for one-half self-employment tax on Federal Form 1040 Line 27. You may be asked for a copy of your Federal Schedule SE.

Line p Child support paid Report only those payments for which receipts or other evidence of payment is available. This evidence may include cancelled checks or a statement from the Office of Child Support in addition to the name and social security number of the parent receiving the payment.

Line q Allowable Adjustments from Federal Form 1040 or Form 1040A The following expenses may be subtracted from income. They should be entered on Line q.

- Certain business expenses of reservists - Line 24 from Federal Form 1040
- Alimony paid - Line 31a from Federal Form 1040
- Tuition and fees - Line 34 from Federal Form 1040 or Line 19 from Federal Form 1040A

Several adjustments that were available in calculating household income for the 2009 tax year are no longer available for 2010. The one-half self-employment tax expense deduction continues to be allowed but it is included on the Line o entry.

Line s Subtract the total adjustments on Line r from the total income on Line n for each column. The adjustments for any individual in your household cannot exceed the income of that individual. If Line n minus Line r is negative, enter zero (0).

Line t Add columns 1, 2, and 3 and enter sum. Entry cannot be less than zero (0).

Line u Enter the total of interest and dividends for all household members reported on Lines e and f in each column.

Line v Add the three columns on Line u.

Line w No entry required. For purposes of calculating the property tax adjustment or renter rebate, household income is increased by the household total of interest and dividend income greater than \$10,000.

Line x Subtract Line w from Line v. If Line w is more than Line v, enter zero (0).

Line y Household Income. Add Line t and Line x. Enter this figure on HS-145 or PR-141.
